

Dearborn Baseball - General Rules (Mustang)

The Playing Rules are "Official Baseball Rules" except as noted below.

- 1 The primary object of Dearborn Baseball is to teach good sportsmanship as well as baseball. Manager control of players and player parents at all times is essential. The umpire has the authority to call a forfeit because of unruly players, managers, coaches or fans.
- 2 Each member present at a league game must play at least three (3) innings, nine (9) outs in the field. Each player must play at least one (1) inning in the infield each game. There will be four (4) outfielders for a total of ten (10) players in the field.
- 3 All players present at game time bat. A player who shows up after game time and before the end of the third inning will be placed at the end of the batting order. A player that shows up after the third inning of play will be used or not used at the discretion of the manager.
- 4 At game time, visiting teams will have the field for ten (10) minutes. Home team will have the field the next ten (10) minutes. Forfeiture time is fifteen (15) minutes after game time. A game may start and/or end with eight (8) players.
- 5 The home team is responsible for field set up of bases and pitchers mound and keeping the official score. The winning coach is responsible for emailing the score to Chris Clough at cclough@bgsu.edu or admin@dearbornbaseballonline.com or calling 971-6851. Both teams provide a new game ball to the umpire prior to each game. The distance between bases is sixty (60) feet. Pitching distance from the back of home plate to the front of the pitching rubber is 44 feet.
- 6 A regulation game consists of six (6) innings unless extended by a tie score. There is a two hour time limit and games can end in a tie. A game called by the umpire because of rain, darkness, etc. is a regulation game if four (4) complete innings have been played, or three and one-half (3 1/2) if the home team is ahead. If less than four (4) complete innings have been played, the game will be rescheduled and started from the beginning.
- 7 All players are to provide their own helmet. Helmets must be worn while batting, on deck and on base. All boys are required to wear a protective cup.
- 8 If a personal bat and/or helmet is broken by any player, the league will not be responsible for replacement of the item.
- 9 Players must wear assigned uniforms in order to play. The uniform shall consist of hats, shirts and pants issued by Dearborn Baseball. The Manager will decide if the uniform meets standards. Uniforms may not be altered in any way.
- 10 The mercy rule shall be enforced after three and one-half (3 -1/2) innings if the home team is ahead or after four (4) innings if the visiting team is ahead by fifteen (15) runs or more.
- 11 Free substitution is allowed with the following exception: The pitcher cannot be removed and returned as a pitcher. Deviation from this shall result in a forfeit.
- 12 Catchers must wear all gear provided by Dearborn Baseball (catcher's helmet, chest protector, and shin guards). The catcher's mitt, although provided, is not required. However, if the player is able to use it have them do so. There are two exceptions. 1. The catcher is left handed. (We don't provide left handed catchers gloves) 2. Your player is not strong enough to squeeze the catchers mitt when catching the ball. The catcher's mask must always include a throat guard.

13 There is no advancement from any base on a passed ball. A runner cannot run to first base on a third strike when the ball is dropped by the catcher. There is no stealing or lead-offs.

14 If there are two outs and the catcher for the team at bat is on base, a pinch runner is required. This is for the purpose of saving time. The pinch runner will be the player who made the last out.

15 Bunting is allowed.

16 If a player pitches three (3) innings or less, no days rest are required prior to them pitching again. If a player pitches four (4) or more innings, three (3) calendar days of rest are required. A player may pitch a maximum of six (6) innings in a calendar week (Monday through Sunday). Delivery of a single pitch constitutes an inning.

17 The Infield Fly Rule does not apply
